PUBLIC NOTICE

Mandatory Renewal/Updation of Registration

In compliance with the directions of the National Dental Commission (NDC), it is hereby notified for the information of all registrants of the Jammu & Kashmir Dental Council that renewal/updation of registration, wherever due, is mandatory.

It has been observed that a significant number of registrants, including those serving in Government establishments as well as those engaged in private practice, have not renewed/updated their registration with the Jammu & Kashmir Dental Council within the prescribed time, resulting in outdated records. Maintenance of a valid and updated registration is a statutory obligation and is essential for ensuring the accuracy of the State Register maintained by the Jammu & Kashmir Dental Council.

Accordingly, all registrants whose registration has become due for renewal/updation are advised to renew/update the same immediately, either online through the official website of the Jammu & Kashmir Dental Council (www.jksdc.in) or offline at the office of the Jammu & Kashmir Dental Council, without any further delay.

It is further notified that failure to renew/update the registration shall result in the registrant's particulars not being forwarded for inclusion/updation in the National Dental Register maintained by the National Dental Commission (NDC) until such renewal/updation is completed. Such cases shall also be liable to action as permissible under the provisions of the National Dental Commission Act, 2023, and the rules and regulations framed there under.

This notice is issued with the approval of the President, Jammu & Kashmir Dental Council.
